

CLASSES Session II 2018

The water color classes are taught by professional artists / instructors. They will lead you through creative techniques to discover the artist within you. Your unique talents will shine as you learn step-by-step in the relaxed atmosphere of our gallery and art studio.

Class participation and skill development are celebrated in our [Spring Art Show](#) at the gallery. The show opens with a [Wine & Cheese Reception](#) showcasing and celebrating artwork created by class participants.
